

## HAUSER STUDENT DIRECTORY INFORMATION

The Hauser PTA compiles a student directory annually, to help the Hauser community keep in touch and to help the PTA contact its members. The PTA is not allowed to use the school's registration data and must gather information directly from Hauser families. The directory will be published early in the school year and will be available for purchase. Participation in the directory is **optional**.

Please fill out all information as you would like it to appear in the directory. The address you list will be the one that receives all PTA mail. The phone number you include will be the one the PTA uses to contact you. If it is a number other than your home phone number (such as a work number or a cell phone), please check the appropriate box. If you want to be contacted about PTA matters via e-mail, please include an e-mail address. This form is for **Hauser** students only; **do not include children enrolled in any grades other than 6, 7 and 8**. Questions? Call or e-mail Mary Lescher (708-442-6964 or maryrob129@sbcglobal.net) Thanks!
