Minutes from Monthly Meeting October 17, 2019

Principal's Report—Ms. Mahy

- Red Ribbon Week next week for drug awareness
- First Little Symphony of the year for all grades
- Cougar Connections classes will decorate doors
- Upcoming Parent/Teacher conferences: signup will go live on October 23 for November conferences; not enough slots for every family so parents are encouraged to reach out to teachers directly anytime.

Reported on PLT meeting:

- Pushcoin: transition seems to be going well.
- School board meetings: encourage people who cannot attend to live-stream the meetings.

- Traffic study: Ongoing study on the Hauser/Central campus. Still in planning stages.
- Composting: looking into putting this in place at Hauser.
- New class size policy: school board has decided that it will no longer have a set class size because so many overrides happen each year.
