Each year, parents have the opportunity to put a personalized message in the yearbook. When students receive their yearbook, this is the section that most of them turn to first. Eight of these notes will appear on each page at the end of the yearbook. The cost of each message is \$20.00. We also offer an option of including a picture with the message which costs \$25.00 total. You may want to keep this a secret so it is more of a surprise when the yearbooks are distributed the last week of school.

Please make payment through PushCoin.

Please keep messages brief. Depending on sentence length, 3-5 short sentences are best.

****This fee does NOT include the purchase of a 2020-2021 yearbook.****

If you choose to give a picture, try to find one that is taller than it is wide to fit the proportions.

If you choose this option, your message must be a little shorter.

****This fee does NOT include the purchase of a 2020-2021 yearbook.****

Please send us the pictures electronically as a .jpg file to konciuska@district96.org
and write in the subject line **Yearbook Message – child’s last name.**
