### **III. Committee Procedures:**

The following are Committee Procedures:

If, after contacting them, more volunteers are needed, the Chairperson should recruit additional committee members, or contact a member of the Executive Board to help gather more volunteers.

Event Evaluation Planning Form: At the conclusion of an event, the Committee Chairperson should complete an evaluation form (provided in the committee folder), as soon as possible. After updating the folder with new information, it should be returned to the President before the end of the school year.

## **STANDING RULES**

- No money should be paid out by or reimbursed by the Chairperson from cash received. Instead, whenever possible, checks should be made out to vendors, rather than as a reimbursement to PTO members.

- Cash and checks received from fundraisers or events should be turned in to the Treasurer within one week of the conclusion of the event or fundraiser. All deposits must be accompanied by a “Deposit Slip”, located on the PTO website. A detailed electronic spreadsheet listing all receipts with name, check number, and cash or check amount, with electronically tabulated totals, should accompany the deposit.

Publicity: Chairpersons who are interested in obtaining publicity for their event should contact the Communications Vice-President.

### **IV. Authority and Autonomy of Committees**

The Chairperson and committee make all final decisions regarding the operation of any expenditures or gratuities involving their project, once the PTO Executive Board approves their plan. The chairperson and committee are responsible for adhering to the budget as approved by the general membership. If an event or program requires more money than budgeted, the chairperson should contact the PTO President as soon as possible.

### **V. Officer/Board Member and Committee Job Descriptions**

Every Officer/Board Member and Committee Chair shall have a job description. Each Officer/Board Member and Committee Chair should review annually and revise as needed their job description. The job description should include sufficiently detailed information to allow a new chair to successfully carry out his or her duties. The job description should be posted on the website. A paper folder should also be turned in to the Vice President of Member Services at the conclusion of the chairman’s term or at the conclusion of an event.
